RHS, a school for 21st Century education!

The i#RHS innovation is one year old. Today, the buzz around RHS is about usernames, passwords, TYB, Moodle, e-pens and of course, the awe-inspiring whiteboards. Learners walk down the corridors like cyber-zombies carrying a variety of digital devices, completely captured by what they just discovered in what would have been a boring lesson. Teachers are hooked to innovative methods of transferring the content so that even Jabu, who generally hibernates during the term is aroused by interactive lessons.

For this reason, every aspect of learning at school has to be refreshed, thus our theme 'Refresh 2016' for this year. The traditional *Fly* was photocopied and now you are reading the refreshed version on your device.

This year we ...

- refresh our classroom experience by using digital learning optimally.
- refresh our assembly experience with super-hip music and lessons.
- refresh our Grade 12 uniform.
- refresh our performing arts with a refreshing production.
- refresh all sporting codes with a new spirit to be trendsetters on track and field.
- refresh our methods of communication by using e-mails, Viber, Whatsapp and Skype.
- refresh our school building and grounds with refurbishments which have already started!
- Refresh our commitment to perpetuating our 100% matric pass record.

Enjoy your 2016 year at this refreshing school!

In bono vinci!

INTRODUCTION

How it all began...

As you acquired this newspaper and read the title, you probably asked yourself, why “Fly Refresh”? Even better, why “Fly” of all things?

This is really not an enigma that you need to solve. In fact, it is quite simple. A three to five odd years ago, a group of students with the assistance of Mrs. M Henning took the initiative of starting a new school newspaper called “The Fly.” The connotation of “fly” in this instance, is to be cool, interesting or trendy. By virtue of its ardent followers, diligent writers and a minimum of R5,00 for every purchase, it lived up to its name. “The Fly” covered the most heated topics from academia to the most anticipated event of the matric year i.e the matric dance.

Now, after many years of dormancy Mrs. M Henning, Mrs. M Swart and a group of enthusiastic grade 11 students thought it was time for a resurgence. A resurgence of “The Fly”, an entity which was once an integral part of RHS that took everyone by storm! Now is the time for “The Fly” to be refreshed: This time it is more riveting and mentally stimulating because it is available at a quick swipe of a screen.

The paper of the 21st century has now arrived. My team and I can assure you that this time it is here to stay!

- Lurhan Maraba

I'm fly and I know it.

A warm welcome to RHS

Greetings to all of you Trendsetters in Motion-old and new! We take the pleasure of welcoming you to the best school in the West. Did I say “Best in the West..?” Of course I did! Matter of fact I should have said Best in GP. We have the bragging rights after all. Check this out:

We are the only school to achieve a 100% matric pass rate for 8 years in succession;

We are the first in the District (2nd in GP) to go paperless, or E-learning – we are a WI-FI zone. Ladies and gentlemen, how about that?

We are the school of choice for educators in the area. Yes, educators from other schools would rather have their children at RHS than at the institutions they’re working at. Need I say more? Need I mention that we have kids of Town Councillors, Legislature members, and the likes? Anyway, enough of the bragging.

I wish, on behalf of the SGB, to welcome all the “Freshmen”, that is our Grade 8 learners to this prestigious institution. You made the right choice. We just feel sorry for the 800+ that were on the waiting list but could not be accommodated.

Please make sure you attend the special orientation meeting that will be called by the principal and staff.

The Class of 2016 is a truly blessed one. As you come to RHS, guess what’s happening? The School is getting a major facelift to the tune of R40 million! After many years of struggle, we eventually succeeded in getting the government to hear our pleas. Renovations will start soon and should end in July. This will inconvenience all of us a bit, but hey, it’s for the best. It’s part of our “trendsetting”.

Finally, here’s the big one – The school’s Newspaper is going DIGITAL. This is the most impressive thing that can happen to our school and the environment. No more paper. We will be receiving the newspaper via email, on our mobiles, ipads, and relevant gadgets. This move will see us cutting costs immediately. Wastage will be minimal, if none at all. Since this is a new move, we also got a new name for the newspaper. From now onwards, it’s called... *Drumroll...* **FLY REFRESH!** Yes it is – Fly Refresh. It will be carrying fresh and exciting news and articles. Watch out for it!

Once again, I receive you to this awesome school. Keep winning.

Dr Joe Lister Mabuela
(SGB Chairperson)

A NEW DEPUTY ON THE BLOCK

To those loyal Fly Refresh readers who have not heard the good news yet, you are in for a treat !

Mr J.L.A Fisher is the new deputy principal joining Mrs A Appelcryn and Mrs M Henning on the executive panel. After a long and rigorous selection process, Mr Fisher has come out tops. His strong work ethic, determination, lion spirit and religious convictions have led to his success. He has been in this school for thirteen years - a lifetime if you ask me . At the same time, we would also like to celebrate Ms Brenner for the contributions that she has made to RHS and hope that Mr Fisher will continue to uphold our school's name.

Mr Fisher is currently the manager of many activities at school including: chess, debating, public speaking, legion of eagles and many more. He approaches his work with great sedulity which is then manifested in the triumph of the aforementioned. Moreover, he procured a nation teacher's award last year! This had nothing to do with luck ...

In an interview with Mr Fisher, he mentioned that he wants to focus more on finding ways of improving the academic results at school by focusing on the Senior Phase to ensure academic depth, developing grade 8's and 9's to have a flair for academic excellence in order for them to obtain more distinctions at the end of their grade 12 year. Furthermore, he also wants more interaction between the learners, teachers and the digital system in place. Now this is a recipe for success!

The Fly Refresh team and the school would like to congratulate Mr Fisher on this extraordinary feat.

Here is a tip - free of charge : DO NOT EVER COME TO SCHOOL WITHOUT PROPER UNIFORM ON OR EVEN YOUR ENGLISH BOOK! I do not need to tell you what will happen if you do not, right ?

It goes without saying that with Mrs Henning, Mrs Appelcryn and Mr Fisher on the same boat, Randfontein High School is destined for greatness.

ACADEMICS 2015

2015 Matriculants refuse to be cropped out off 100% record!

The intense and stressful wait is over! Randfontein High School has procured a 100% matric pass rate once again with hard work, determination and the inception of the paper-less system, RHS has obtained stupendous achievements including 133 distinctions and 70% bachelors pass rate. Furthermore RHS achieved distinctions in the following subjects: Mathematics - 11, Mathematical Literacy - 12, Life Sciences - 12, Physical Sciences - 6, Afrikaans FAL - 7, English HL - 1, Life Orientation - 66, Accounting - 2, Business Studies - 2, Design - 1, Dramatic Arts - 8, Engineering Graphics & Design - 2, Geography - 3 and Tourism - 1.

If you happened to watch the Matric Results Announcement on SABC 1 on 5 January 2016 at 18:30, you would have learnt that the top-performing pupil for matric 2015 is Andrew Tucker of Western Cape's SA College High School. Now let us see which RHSian will step up to the plate to seize that title this year. Are you ready for the challenge?

The existence of our 100% matric pass rate has been sustained for eight years. Now the ball is in your court and it is up to you to strive for another 8 years of excellence - another 8 years of unrelenting lion victory!

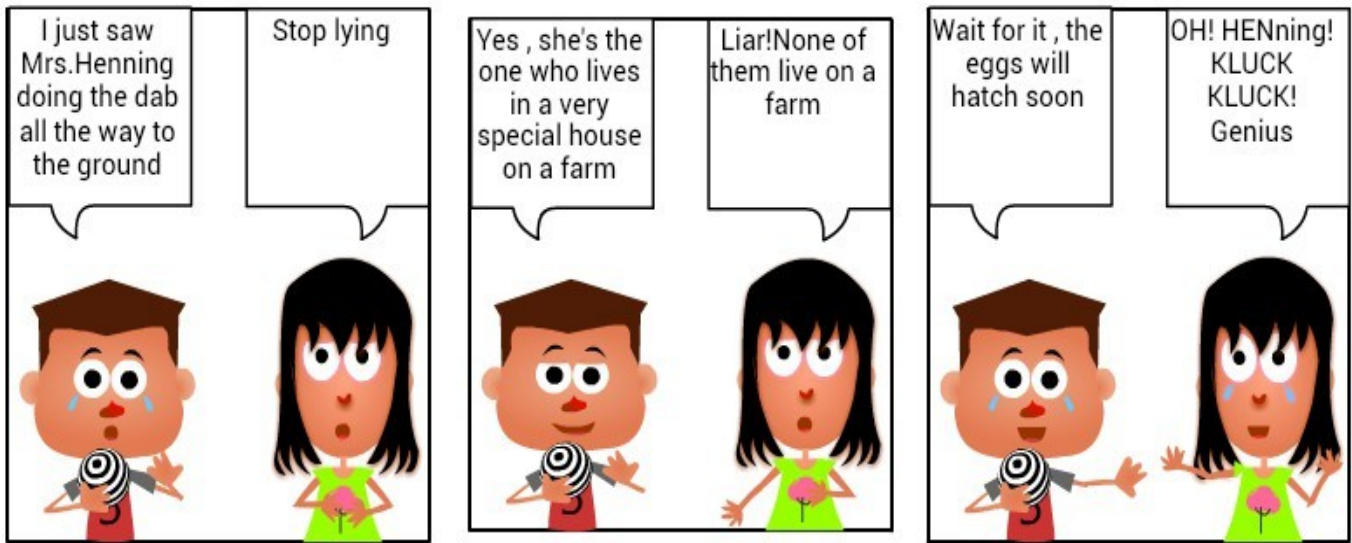

Owing to the higher standard of the final exams and many rumours of cheating in the examination rooms in other provinces, it was uncertain whether RHS would still be holding up the burning flame of our prestigious school record. However, due to our hard-working educators in conjunction with our matriculants burning the midnight oil, RHS was able to soar in triumph.

- Lurhan Maraba

On a national level, it was ascertained that the top three provinces in South Africa were Western Cape with 84,7%, Gauteng 84,2% and Freestate with 81,6%. The national matric pass rate for 2014 was 75,8%. This past year (2015) has decreased by 5,1% landing on 70,7%. It is unfortunate that Eastern Cape was the worst performing province with 56,8% as stated by the Department of Basic Education.

“DIE EINDE”

Randfontein High School does not believe in “enough is enough.” They proved this once again during the year 2015 by performing an Afrikaans play called “Die Einde” and succeeded beyond expectations. RHS competed in the “ATKV Tiener-toneel” final which took place on the 6th - 10th of October 2015 at the Clover Aardklop Festival against 3000 learners and 180 plays from across Namibia and South Africa.

“Die Einde” claimed the runner up position and numerous awards which are: Best Directors - Stephen Kotze and Amanda Jankowitz. Best actor – Cantona James. Best supporting actor - Loyame Mlawuli. Most promising actor - Antonio Martins and best lighting - Mokgadi Mabitsela.

The play also received nominations for: Best stage manager - Stacey Ann Phillips and Best ensemble. “Die Einde” awoke reality. They enacted the lives of prison gang members in a juvenile facility as it is. Their excellence deserves to be acknowledged. At their last performance they received a standing ovation.

So, with that being said we all raise our hands and say: **SALUTE!!**

- Nokwazi Dlamini

The ATKV Final took everybody by storm!

If acting, theatre and riveting storylines tickle your fancy, then you are in for a treat! However for the minority who feels differently, prepare yourself for a dramatic paradigm shift.

The ATKV *Tienertoneel* Final took place at the Clover *Aardklop* Festival in Potchefstroom on 6 October 2015 and ended four days later. During that time, a plethora of extraordinary schools rehearsed tirelessly to ensure that their performances were perfect and worthy of the gold. For the first time in ATKV's history, an English school took part in the competition and soared to second place. That's RHS for you. Given the fact that we are an English-speaking school, getting second place meant a lot to us. In fact, our troupe went out and interacted with the other actors and they said that they were taken aback by RHS' monumental achievement. As such, we really feel inspired to continue broadening our horizons and revealing our hunger for success.

An estimate of 3000 actors and actresses took it to stage and delivered 180 plays which kept everybody entertained. RHS performed an Afrikaans play dubbed *Die Einde* - a heart-warming story about a gang of imprisoned juvenile delinquents telling their own stories about how they made it into the notorious '28 Gang', their life experiences, and how each of them sincerely wishes to lead a better life.

It goes without saying that such an interesting plot deserved a lion's share of the accolades that came its way like: Best Actor- Cantona James, Best Directors – Amanda Jankowitz and Stephen Kotze, Most Promising Actor- Antonio Martins, and it was nominated for Best Ensemble. It is due to such accomplishments that RHS is the school to beat – or to try to beat! We display our inner lionhood with style, precision and assiduity.

The ATKV Final was a blast and it is certainly not the last time that it has heard of RHS. In fact, it is only the beginning of more enthralling stories to come like *Die Einde*...

SPORTS

Jukskei stars lustrous at Nationals

Jukskei is still a foetus in our successful sports family but has already proven to have a spring in its step.

Jukskei was introduced to our sport family 4 years ago and after a few quiet spells, it has blossomed into one of the school's most successful sports. Victories and triumph have become second nature.

In 2014, 4 learners participated at the National Championships in Kroonstad. 2015 saw significant progress in numbers. We obtained four second places and a third in the annual schools' league in August. The school was elated as 6 RHS learners participated at the National competition in Kroonstad in December. They were: Mandla Mpembe, Tumelo Molemane, Mulisa Raedani, Tumiso Mathebula, Thandeka Deleki and Nokwazi Dlamini.

The latter told me that it was a great experience and the competition was fierce but in vintage RHSian style, we stayed strong and unaffected. Mulisa Raedani qualified to be a member of the SA "Akademie Uitnodiging", which is an excellent achievement considering how much competitive Jukskei experience RHS has had.

The glittering accolades our Jukskei team have attained are all through hard work and at the heart of this team was coach, Mrs Herbst-Smit. Under her stewardship, RHS has achieved feats not many expected.

- Agisang Sibanda

Furthermore...

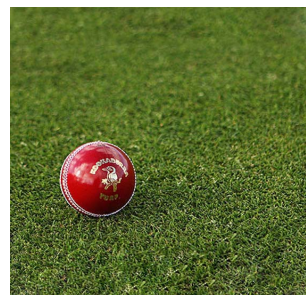

4 Players have been selected for the U/19 West Rand Cricket Team. They played in the Gauteng tournament from 2 – 4 October 2015.

- Corné Lovegrove
- Holiday Malepe
- Nkululeko Kozana
- Lionel Lovegrove

West Rand Cricket - Mr Bradford was selected as manager of the U/15 West Rand Team, Mrs Smith serves on the West Rand Cricket Committee as Treasurer and Secretary and Mr Zondi was selected as Chairman of West Rand Committee and Coach of the U/19 West Rand Team in 2015.

Athletics – Dates 2016:

- 22 January - Inter-house
- 29 January - Bekker High School
- 5 February - RHS Invitational
- 13 February - English Inter-high
- 27 February - D2 Championships
- 5 March - Gauteng Championships
- 19 – 21 March - Nationals

Netball

The U/15 & U/17 netball teams went through to D2 Championships as pool winners where both teams were victorious and proceeded to the Regional Championships.

Hockey

The junior & senior hockey boy's team won all their matches as well as their league. They showed guts, determination and good sportsmanship throughout the season. They are reaching bigger heights every year!

#RHS Infrastructure

We have always been very proud of our facilities. They create an environment conducive to learning and teaching and where learners have a home away from home. Our classrooms and other teaching spaces are welcoming and special and add a positive character to teaching. Unfortunately they are more than 50 years old and insufficient for the growth in learner numbers. We have been requesting assistance from the Department of Education in this regard, for more than 19 years and...

At last it is ready, steady, go... as the long awaited capital upgrade of our reality.

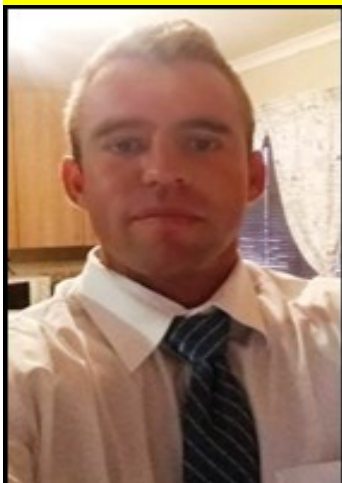

The full project was approved and the contractor appointed in November 2015. The estimated time for completion of this project is 7 to 8 months. Air-conditioning in classes, improved ablution facilities, new roofs, downpipes, ceilings, electrical upgrade throughout the school, infra-structure upgrades, a new Tuck Shop, brand new flooring and palisade fencing (1,4 km) which will contribute to your safety are only a few of the projects that will be addressed by this project.

During this period there will be certain areas of the school that will be out of bounds to learners as it is imperative, for your safety, that you do not enter these areas until all work has

been completed by the contractor and the chevron tape removed.

Welcome to the RHS family!

Mr. Byrne

1. What primary and high school did you attend?

Randfontein Primary & Randfontein High School.

2. Do you have any goals as an educator while you're at Randfontein High School? If yes, please motivate your answer .

Yes, I would like RHS to be one of the strongest sport schools on the West Rand and Gauteng.

3. Do you have any changes that you would like to implement?

If yes, please motivate your answer .

Yes, I would like to improve all sport teams' fitness and strength levels as I believe it plays a huge role in excelling on and off the sports field.

4. Who is your role model ?

Arnold Schwarzenegger. Arnold came from a small town in Austria, similar to Randfontein. Through hard work he changed the face of bodybuilding and became one of the first recognised names in movie history as well as governor of California. Proving a person can do anything if you put your mind to it.

5. What do you do for fun?

For fun I do competitive bodybuilding, cricket or anything on the sports field. Furthermore I enjoy the outdoors and I have a passion for animals.

**"A GOAL
WITHOUT A PLAN
IS JUST A WISH"**

Larry Elder

Mr. Damoense

1. What primary and high school did you attend?

I attended Diphlane Primary School from Grade 1-6 and went to DL Jansen in the Northern Cape for Grade 7 and I attended Randfontein Secondary School.

2. What do you enjoy most about teaching?

I enjoy the interaction and relationships I get to build with the learners and teachers. I also enjoy the fact that I can make a difference in the lives of the learners, no matter how small.

3. Why did you choose RHS ?

I chose RHS because I believe it has the needed support that ensures that the maximum potential of the learners are reached.

4. What do you bring to RHS that will benefit the school's reputation and the students?

I have strong interpersonal skills and I believe that with such skills one gets to build strong foundations. I believe that those skills can spill over into the classroom and strengthen my relationship with the learners. I am a young teacher and I believe that I can learn a lot from the staff at RHS.

5. What do you do for fun?

I enjoy reading, cooking, listening to music and travelling.

**Mr. Swart****1. What do you enjoy most about teaching?**

To see learners progress and develop into successful young adults.

2. Do you have any goals as an educator while you're at Randfontein High School? If yes , please motivate your answer .

Yes, I would like to start Rugby and compete against other schools. It will be an absolute blessing to one day have one or a few of my players to represent the Springboks.

3. What primary and high school did you attend?

"Laerskool Rapportryer & Hoërskool Jan Viljoen."

4. Why did you choose teaching?

I enjoy working with young people & being active, what better career?

**5. What do you do for fun?**

I enjoy the outdoors, socializing and being with my family.

**Ms. van Blerk****1. What do you enjoy most about teaching?**

I enjoy that moment when a student understands what I am explaining in another language (Afrikaans).

2. Do you have any goals as an educator, while you're at Randfontein High School? If yes , please motivate your answer .

Yes. To be the best in what I teach and to make a difference.

3. Who is your role model?

My role model is definitely my mom, she is the strongest person I know. She taught me things that I never thought I'd need to know.

4. What primary and high school did you attend?

Primary: Truida Kestell. High School: Voortrekker.

5. What do you do for fun?

I like to cycle at Avianto or Northern farms.

**Mr. Herbst****1. Why did you choose teaching?**

The reason I chose teaching is to witness a student understand something that he/she struggled with before, it is a satisfying feeling.

2. What do you enjoy most about teaching?

I enjoy the fact that there are learners that will make you run for the hills but at the same time there are learners that make you want to be better.

3. Since the school has gone digital , we have learned a lot of fun ways to education.

Besides digital education , do you have any new ideas on teaching that will be implemented in your class?

I would like to implement even more interaction with the learners in my class, that way they would learn more while having fun.

4. What do you bring to RHS that will benefit the school's reputation and the students?

I would like to think that I bring a sense of knowledge concerning my subject, I will be able to equip my students with the necessary tools to succeed.

5. What do you do for fun?

Exercise, such as the Warrior Races. I have completed three up to date.

Laureate learners 2015

How do you qualify for a Laureate Award?

“The Laureate Blazer “

The Laureate blazer is black with a silver crest. A black tie with a silver crest will also be presented to the recipient of the laureate blazer. No colours scrolls to be worn on the blazer. A black Laureate pullover may be worn with the blazer. The blazer to be symbolically presented to the recipient at an awards ceremony. The SMT of the school have the right to remove the blazer should a learner's bad behaviour warrant this. The Laureate blazer may be worn for ONE year only and, subsequently, only on condition that a learner qualifies in the following year/s. Should a learner achieve more than one Laureate award, a silver braiding will be added to the existing Laureate blazer.

Academics

A learner with an average of 85%+ in Grade 10 – 12 and 90%+ in Grade 8 – 9, at the end of an academic year, will qualify to wear the Laureate blazer.

Cultural

A Laureate blazer will be awarded for at least 4 Full Colours – of which one full colour must be obtained through National Participation – in one calendar year (may be accumulated from more than one discipline e.g. sports, cultural or academics)

Sport

A Laureate blazer will be awarded to a sports learner who is selected for a provincial team participating on national level.”

In short:

Be involved.....participate.....be committed.....do your best.

"One, Gone, Gone"

When life leaves you high and dry
I'll be at your doortonight

If you need help, if you
need help.

I'll shut down the city
lights,

I'll lie, cheat, I'll beg and bribe
To make you well, to make you
well.

When enemies are at your door
I'll carry you away from war
If you need help, if you need help.

Your hope dangling by a string
I'll share in your suffering
To make you well, to make you
well.

Give me reasons to believe
That you would do the same for
me.

And I would do it for you, for you.

Baby, I'm not moving on
I love you long after you're gone.

For you, for you.

You will never sleep alone.

I love you long after you're gone

And long after you're gone, gone, gone.

When you fall like a statue

I'm gon' be there to catch you

Put you on your feet, you on your feet.

And if your well is empty

Not a thing will prevent me.

Tell me what you need, what do you need?

I surrender honestly.

You've always done the same for me.

So I would do it for you, for you.

Baby, I'm not moving on,

I love you long after you're gone.

For you, for you.

You will never sleep alone.

I love you long after you're gone

And long after you're gone, gone, gone.

You're my back bone.

You're my cornerstone.

You're my crutch when my legs
stop moving.

You're my head start.

You're my rugged heart.

You're the pulse that I've always
needed.

Like a drum, baby, don't stop
beating.

Like a drum, baby, don't stop
beating.

Like a drum, baby, don't stop
beating.

Like a drum my heart never
stops beating...

For you, for you.

Baby, I'm not moving on.

I love you long after you're
gone.

For you, for you.

You will never sleep alone.

The Gr 12's of 2016

MATRIC 2016

DECEMBER 2015

Finally, we are on the threshold of what we have been focusing on since 2012. Just the other day you were all shorter than me (yes, including Tivian) and now I have to look up to you.

First, congratulations are in order! The RCL for 2015/2016 will make us

We have high expectations and know that you will not allow your RCL responsibilities to be the goliath that robs you of quality time on your academics. Congratulations to the EXEC! Leave a legacy that will transform student leadership at RHS forever.
